**[DST-20348]** 9h. Add Registration Screen - Populate new fields

**[DST-20795]** PDM 32.04

**[DST-20782]** RBAC 6.4.2

**[DST-20565]** RBAC for ALT screen

## Bug Fixes

---

**[DST-20798]** 5g. Registration Summary Details - Associated Document Section - Reference to 'View' Issue

**[DST-20780]** 8b. Cohorts screen - Active Cohorts table - View Link - Tooltip Issue

**[DST-20783]** 9e. Cohorts screen - Close Button - AC / Desc Issues

**[DST-20681]** All contacts - Text Search tooltip is wrong

**[DST-20736]** Register Summary: Current Registrations : Story description still mentions adding to AUDITED\_INTERACTION when that's been removed from the AC (and is in a later story)

**[DST-20764]** Register Summary: Sorting on the columns of Registration History rows are unexpectedly renumbered

**[DST-20758]** Registration Details Title has been updated

**[DST-20792]** Registration Summary Details: Delete link tooltip AC has a typo

**[DST-20789]** Registration history: end date constraint

## Scripts

---

**[DST-20637]** 3a. Registration History - Population Script

**[DST-20379]** Script - De-Register any active ALT registrations
