

Release Notes

Version ND 6.4.7

New Features

- [DST-20270] Add Self-described Faith to Merge and Unmerge
- [DST-20199] Allow users to incrementally add reductions which are over the maximum number of Unpaid hours setting
- [DST-20382] Tile name change

Bug Fixes

- [DST-20508] Add Self-described Faith History view - Description states Screen Focus - Possible Issue
- [DST-20501] BUSINESS_INTERACTION table entry for 'Get Faith Details' repeats the OIBI026 code as the description
- [DST-20506] Delete Licence Condition version of DST-20392 (Page title should be 'Delete Component' instead of 'Component List')
- [DST-20142] Incorrect validation on UPW Adjustment
- [DST-18569] Move Event: OASys assessment remains on the source CRN
