

## Release Notes

### Version ND 5.7.15

#### New Features

---

[DST-12966] PDM Changes - CJS Offence Codes

[DST-14566] PDM 28.11

#### Bug Fixes

---

[DST-14551] Registration Review Diary; Provider, Team and Officer set to [Please Select] even though User is linked to an Officer

[DST-14504] View Address Details; "Searched On" Offender Navigation Bar still rendered when LAO and L0 access being displayed

[DST-14554] Orphaned Provision script; Last Touched fields are being updated when not requested

[DST-14562] County Lines script; if Offender already has an Active and Inactive County Lines (CL3) Registration the script still creates a new CL3 Registration

#### Scripts

---

[DST-14543] Script to create a Disability and link to any Adjustment without a linked Disability

[DST-14544] Script to remove the "Null Disability" and unlink to the Adjustment for all Disabilities

[DST-14453] Script to add "Null Adjustment" to all disability records with no linked Adjustment

[DST-14461] Script to remove all Adjustments with a type of "Null Adjustments"
