### Bug Fixes

---

- [DST-14085] Close button not responsive on the Disabilities and Adjustments screen.
- [DST-14088] Close button not responsive on the Equality Monitoring screen.
- [DST-14120] Prepare a Case for Sentence; each time the PaCfS link is pressed a new tab is opened
- [DST-14130] UPW Suspend Contact Outcomes; Overseas Working description missing word "Working"
- [DST-14055] Having deleted a Disability which was linked to an Adjustment, the Adjustment Category is changed to 'Historic Recording' but there has been no change to its last touch?
- [DST-14002] Add Person - Having previously done a National Search on an NI Number and added a Person, a subsequent Add Person adds this number even when its no longer on the National Search screen (same for NOMS and CRO)

## Problems

---

[DST-13953] SN 1949739 PR232
