

## Release Notes

### Version ND 5.7.8

#### Bug Fixes

---

- [DST-14100] Error message not populating in the Update Adjustment screen
- [DST-14118] Drug Testing - Delete Event - Assessment - SAR still contains the DT Assessment Document
- [DST-13996] Add Person - Having done a National Search on an invalid CRO number and Add Person, the invalid CRO is present and can be Saved (same for NI and NOMS)
- [DST-14152] Unmerge: Error reported for duplicate ROs if the option was chosen to move the OM on Merge

#### Problems

---

- [DST-13295] Document still displayed in Doc List screen when linked Person level contact deleted
