

Release Notes

Version ND 6.5.11

New Features

- [DST-20927] 1a. Registration Re-Organisation - PDM Changes - Link List between Register and Other Register Types (Sign Off)
- [DST-21165] 9e. Cohorts Screen - Add Registration - Save - Navigate to Cohort/Registration Summary screen
- [DST-21120] Contact Deeplink Enhancement: Navigate to Parent Registration Summary
- [DST-21153] Display Previous Registration Review Notes on Details Page
- [DST-21154] Display Previous Registration Review Notes on Update Registration Review Page
- [DST-21157] PDM 32.07

Bug Fixes

- [DST-21170] Cohorts: Deleting a cohort registration then viewing an active cohort registration causes a white screen
- [DST-21118] Contact Details; Registration deeplink navigates to Reg Summary Details screen for a "child" Registration Type
- [DST-21092] Registration Summary Details: AC3 mentions 'Register Review' instead of 'De-Registration' - AC change?
- [DST-20899] Registration Summary; Added Cohort Registration is not visible without navigation
- [DST-21193] Update Registration Review with Completed = No, changes to the Category or Level are applied to the Registration when they shouldnt be (defect for only if Ive altered the date/time too)
- [DST-21059] Update Registration Review; only last RR Notes included new RR when Completing previous RR

Scripts

[DST-21025] 1c. Script to add new Register Type and associated links

[DST-21053] 3a. Registration - Update Category

[DST-21018] 3b. Registration - De-Register and Add identified registrations
