Release Notes

Version ND 5.7.9

Bug Fixes

[DST-14165] Update Contact: For a Contact which is an attendance and 'in the future', its possible to apply an attended outcome, when it shouldnt be

[DST-14164] Add Contact: For a Contact which is an attendance and 'in the future', its possible to apply an attended outcome, when it shouldnt be

[DST-14199] Add Contact: Removing the Date or Time that's been auto populated and clicking away APPERR031

[DST-14171] View UPW Details/Update UPW Details:Hours recorded against 'ETE Hours worked' are also showing as recorded against 'Project Hours worked ' (when they shouldnt)

[DST-14170] View UPW Details/Update UPW Details: 'ETE to date as a % of hours ordered' appears to be dividing by hours worked instead of dividing by hours ordered ?
