Bug Fixes

[DST-20797] 4e. Registration Summary - Cohorts View Button - Verbose tooltip Issue

[DST-20810] 5h. Registration Summary Details - Close and Document Buttons - AC Query

[DST-20884] Action to deregister on event termination: AC6 typo has Start time should be 'The Time of Review entered in the Register Review.' (its not a review taking place)

[DST-20852] Add contact - Contact Type drop down search -'Relates To' - Clear Fields Issue

[DST-20873] At Last Termination screen: Category and Level are the 'now' values and not what they were on termination date

[DST-20793] Registration Summary Details- Delete Registration: AC2 has a typo and the word 'last' missing ?

[DST-20851] Update Contact - Cancel not returning to calling screen

[DST-20830] Add Registration; Inactive Categories and Levels are selectable

[DST-20894] Reg Summary; if User does not have RRBI110 the View link causes FAUERR001

[DST-20649] Court Diary: Registers display with white font colour

Problems

[DST-20776] INC3744946 - PR349 - Issue when updating a non-statutory outcome with an inactive court
