[DST-18861] RBAC 6.2.3

[DST-18667] Update Court appearance Validation

[DST-18123] 5b. Default Drugs Relates To field

[DST-18673] On receipt of an initial OASys assessment on a CO or SSO - Daily

[DST-18684] Change RDI to include Copy Templates to Business Object Links

Bug Fixes

[DST-18874] Officer Diary - Alerts Diary: Refreshing the page after clearing an alert causes the first row alert to be cleared

[DST-18789] Add/Update Court Appearance; various JSF Upgrade issues

[DST-18888] [Please Select] should be the first item in the drop down list

[DST-18824] Drug Test List: Icons not being taken from DRUG_TEST_RESULT. RESULT_ID, so 'Definitive use' appears as a question mark instead of a cross

[DST-18930] Register Summary screen doesnt return to Page 1 after Navigating to later Page and pressing 'Refresh'

[DST-18804] Add Drug Test when there is a Profile (with screen drugs) but the context chosen for the Add is DIFFERENT from the profile, drugs are loaded, is this correct?

[DST-18872] Add Drug Test when there is a Profile with CONFIRMATION Drugs on it

[DST-18409] 'Disabilities and Adjustments' screen: Read Only user is unable to toggle with 'Show/Hide End Dated Conditions/Adjustments- should they?

[DST-18940] Update Drug Test to apply outcome with Enforcement Action: Missing system generated contact hence Enforcement notes not applied to Drug Test

[DST-18962] Move NSI to different CRN: Breach marker remains on the source Event after the Breach NSI has moved to target (if there were 2 events in Breach on source to start with)

[DST-18850] Add Event; Required Info fields not rendered correctly on Warning screen

[DST-18929] Deep Link Error Codes - AC4 - Issue with DEPERR005

[DST-18896] Save message populated when it shouldn't

[DST-18753] Delius displayed a white screen when closing Requirement Details screen (Following navigation from Contact List screen)

[DST-18811] Update Drug Test: DRUG_TEST_RESULT. RESULT_ID isnt being populated

[DST-18642] RDI - Document Template Import; Templates to Business Object links not imported

[DST-18283] END_DATE differences between AC and Description in DST-14903 + refers to start_date

[DST-18902] Alert Scripts - Contact notes should be in multiple lines?

Problems

[DST-18482] SN2786737 PR315

[DST-17548] SN2524233 - PR297
