Bug Fixes

[DST-12218] No warning message when adding Main address with end date

[DST-12195] Able to access View and Update hyperlinks on Active Registrations section from Case summary screen When user no RBAC

[DST-12161] Title repeated in the Active Personal Circumstances (Case Summary screen) section

[DST-10201] Registration notification; clicking reviews in header doesnt always show reviews if the review is in a different team

[DST-12554] Validation Error received when linking a NSI to a Transfer Reason

[DST-12645] GDPR - Duplicates - Large sets of data does not load

[DST-12165] Sort is not working with column header 'Officer' in Current Events section from Case summary screen

[DST-12142] Additional Sentence Value in NDelius_SAR_Document.doc doesn't display as a currency

[DST-12250] Sort order of the table is not retaining after user returned from View hyperlink in ADDRESS ASSESSMENTS table

[DST-12447] [APPERR031] - Error on Recently Viewed page

[DST-12227] Court Report - System Generated Contact - Timestamp does not directly show the date and time when a second note was added

[DST-12523] Able to create a Address with type 'Awaiting Assessment' and Type Verified 'Yes' which is not Main status

[DST-12389] APPERR031 when Amending specific terminated events.

[DST-12153] Alias field in case summary screen showing semi-colon at the end even if only one alias name exists

[DST-12190] After a Merge and then Unmerge the Additional Identifiers created are still present on the Source

[DST-12184] Similar titles repeated in the Community Supervisor (Case Summary screen) section

[DST-12182] Active Personal Circumstances section in Case Summary displays wrong message

[DST-12315] Court Report - System Generated Contact has timestamp with the latest at the top

[DST-12194] Teams dropdown list not being loaded on Add Contact Details page

[DST-12152] Information in the court appearance contact not matching the text in the court appearance notes field

[DST-12075] Responsible Officer index; new RO not created when Event Terminated and RO should follow OM

[DST-12782] Update Personal Contact: Selection of the Document button displays the warning message but with various fields as editable

[DST-12772] Drug Test Summary - Current Test - View Drug Test screen, Associated Docs pagination control not functional

[DST-12812] Update Address screen - if Start Date and Status Mandatory fields incomplete, only Start Date has a Validation Error

[DST-12795] Update Drug Testing Assessment - Changing 'Provider', 'Team' or 'Assessed by Officer' to 'Please Select' generates System Error

[DST-12083] The verbose tooltip is the same as the Standard tooltip for "Responsible Officer History" in the Personal Details navigation menu.

[DST-12830] 6A: Register Improvement - Merge - Failing on SUBJECT_ACCESS_DOCUMENT table

Problems

[DST-12794] SN 1749556 PR201
