Bug Fixes

[DST-16194] Add Restriction; various JSF Upgrade issues

[DST-16198] Update Restriction; various JSF Upgrade issues

[DST-16206] JSF: Contact List: Future appointment scheduler, 'Until' date is not auto populated after number of appointments has been entered and unexpected information in the warning screen

[DST-16205] JSF: Add Contact: 'End time' isnt displayed as a field in the Next Appointment section

[DST-16164] Conversion of - Offender Index - Address - Date picker window not working

[DST-16182] JSF: Contact List : Free Text Search shows all results when nothing has been searched for yet

[DST-16189] JSF: Contact List: Future appointment scheduler, error encountered when the start date is altered, so the day of the week is incorrect

[DST-16188] JSF: Contact List: Future appointment scheduler, the Update button is active until it is pressed and then it turns to be greyed out

[DST-16101] Move Entity screens; Alt + Shift + Q shortcut only works for the first Search button

[DST-16197] Restriction Details; various JSF Upgrade Issues

[DST-16202] End Restrictions; various JSF Upgrade issues

[DST-16204] JSF Conversion of - Court Report Manager History - Internal Transfer screen issue

[DST-16203] JSF Conversion of - Data Maintenance - Move Event - Multiple Issues
