Bug Fixes

- [DST-22307] Add Court Appearance; APPERR031 if SED < sysdate and JFDA = Yes when adding/updating Disposal
- [DST-22321] Add Court Appearance; Reg Category/Level History record End Dated
- [DST-22178] Adding a NEW Sentence (new event) to a person with JFDA = No, when they already have another active Sentence/event with JFDA = Yes- clarification?
- [DST-22344] CO SSO - does not open from template
- [DST-22360] Edit Court Appearance: APPERR031 if appearance type is changed to sentence and outcome set as Stayed
- [DST-22338] PDM - Lookup Table - R_SERVICE_USER references column SERVICE_USER_NAME when SERVICE_USERNAME is more consistent
- [DST-22418] Terminate UPW Application to Extend script - CONTACT.START_TIME not set to script run date
- [DST-22390] Terminate UPW Application to Extend: Notes requested in the story description contain a typo?
- [DST-22399] Terminate UPW Extension: AC14 for error log asks for community supervisor and not NSI manager

[DST-22351] What do we do with NSI records with pending transfer

Scripts

[DST-22179] 1c. Script for Creation of Delius User/Other external users

[DST-22180] 1d. Population of R_SERVICE_USER

[DST-22138] Terminate UPW Application to Extend
